

Special Access Football Parking 2011

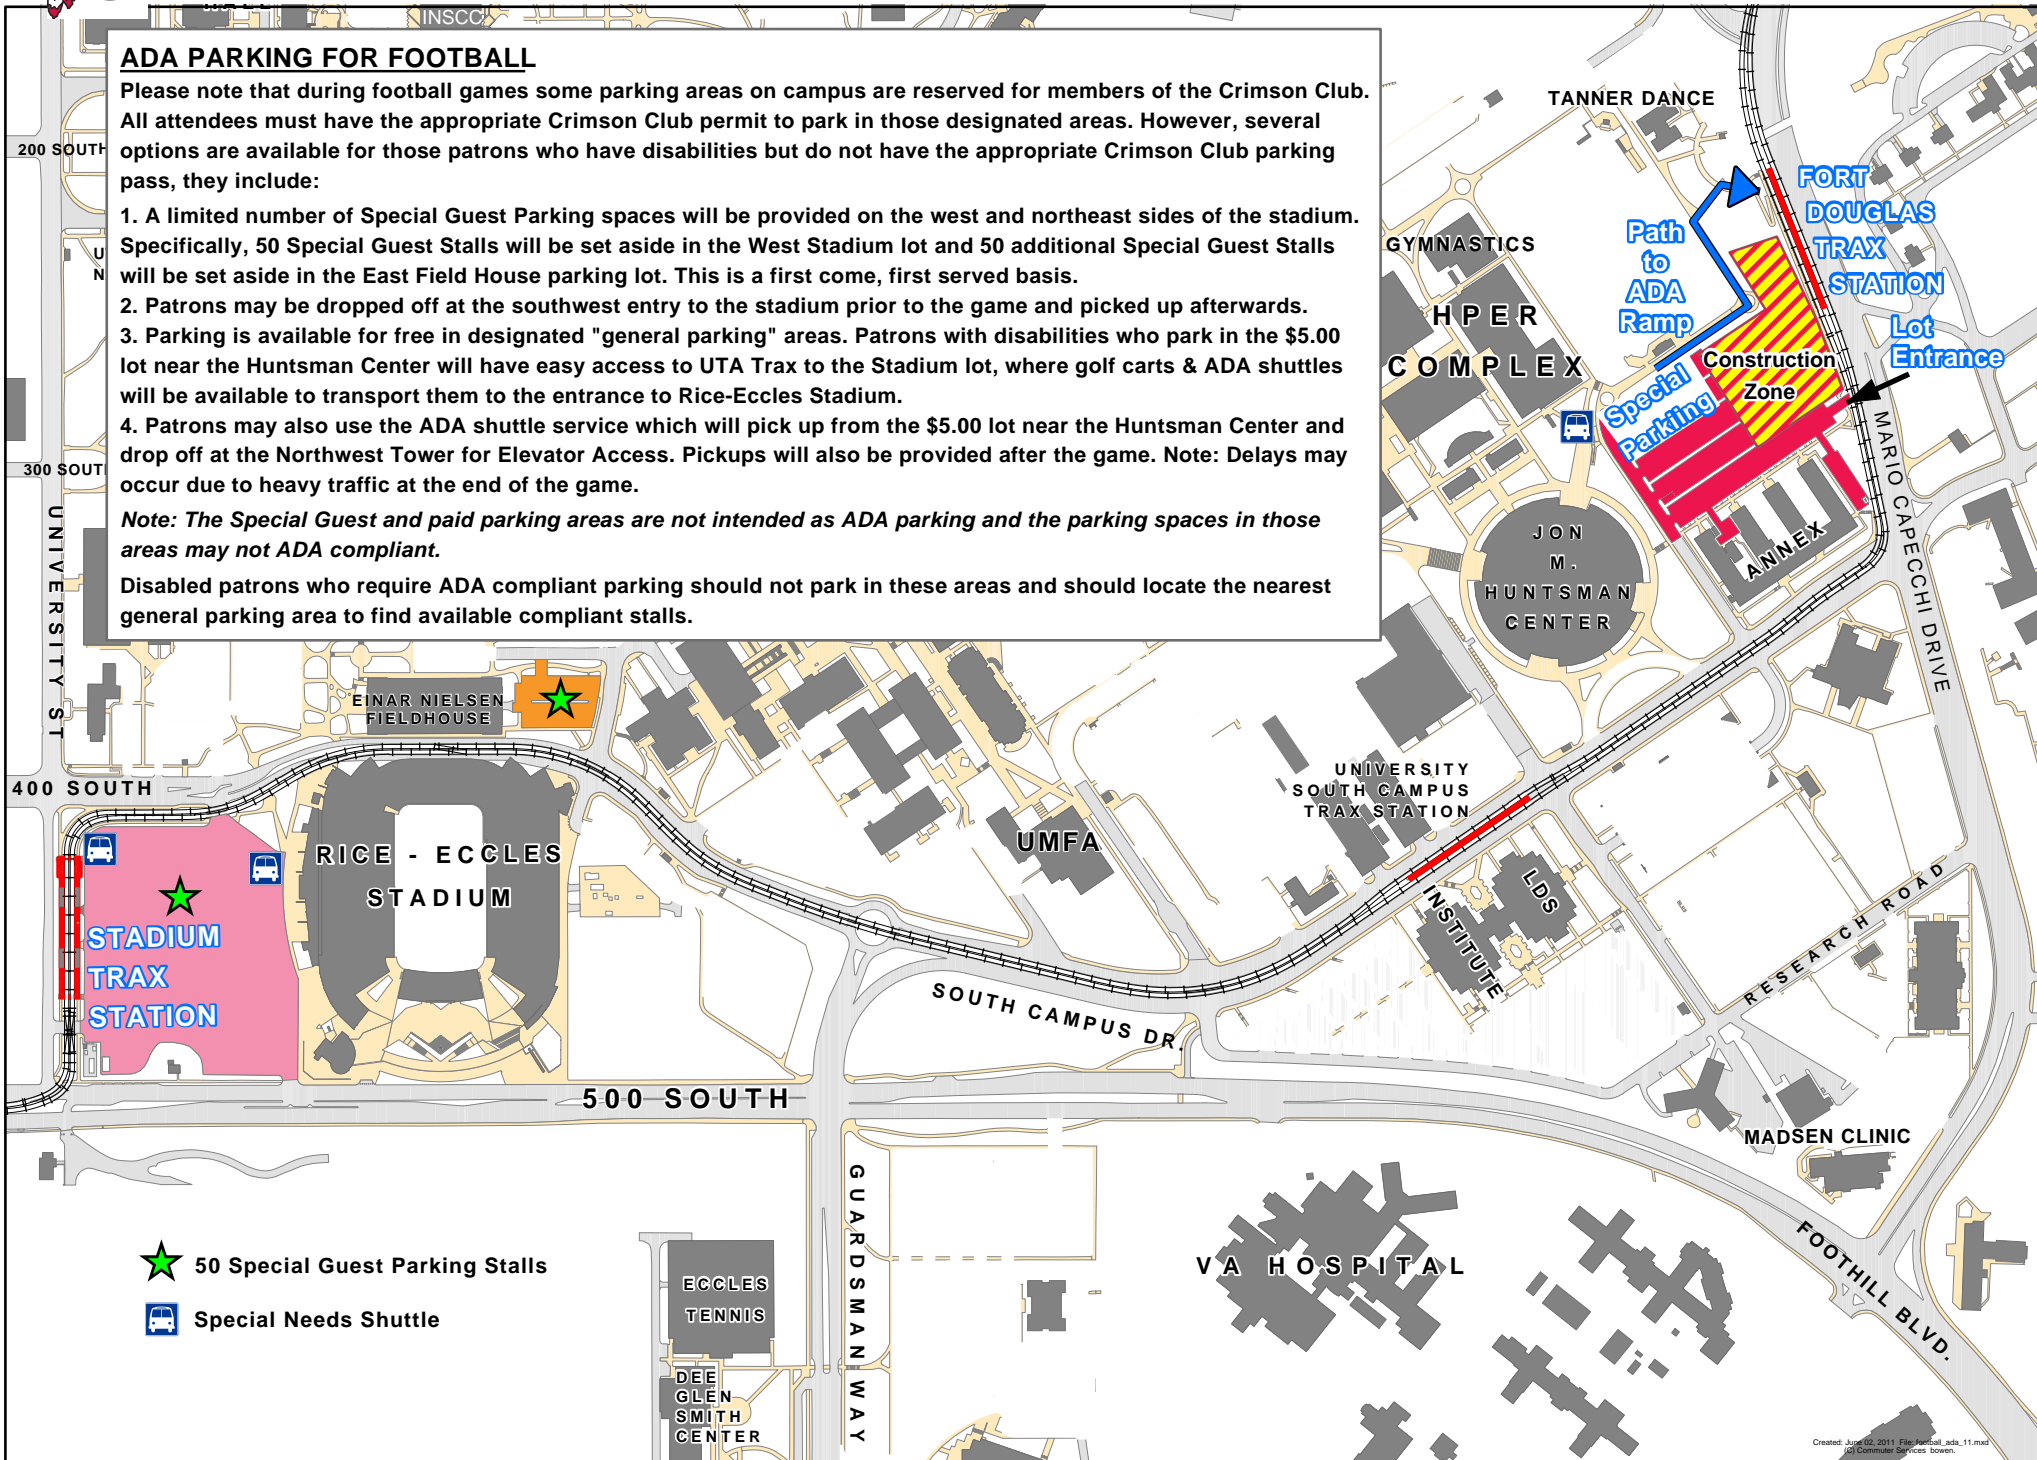

ADA PARKING FOR FOOTBALL

Please note that during football games some parking areas on campus are reserved for members of the Crimson Club. All attendees must have the appropriate Crimson Club permit to park in those designated areas. However, several options are available for those patrons who have disabilities but do not have the appropriate Crimson Club parking pass, they include:

1. A limited number of Special Guest Parking spaces will be provided on the west and northeast sides of the stadium. Specifically, 50 Special Guest Stalls will be set aside in the West Stadium lot and 50 additional Special Guest Stalls will be set aside in the East Field House parking lot. This is a first come, first served basis.
2. Patrons may be dropped off at the southwest entry to the stadium prior to the game and picked up afterwards.
3. Parking is available for free in designated "general parking" areas. Patrons with disabilities who park in the \$5.00 lot near the Huntsman Center will have easy access to UTA Trax to the Stadium lot, where golf carts & ADA shuttles will be available to transport them to the entrance to Rice-Eccles Stadium.
4. Patrons may also use the ADA shuttle service which will pick up from the \$5.00 lot near the Huntsman Center and drop off at the Northwest Tower for Elevator Access. Pickups will also be provided after the game. Note: Delays may occur due to heavy traffic at the end of the game.

Note: The Special Guest and paid parking areas are not intended as ADA parking and the parking spaces in those areas may not ADA compliant.

Disabled patrons who require ADA compliant parking should not park in these areas and should locate the nearest general parking area to find available compliant stalls.
